

- A 
   Descriptions of communications between the Independent Directors and the Chief Audit Executive, and the CPAs
  - a. After having presented the audit and follow-up reports to the Chairman, the Chief Audit Executive submits the same reports via email to the independent Directors for review on a monthly basis. In addition, the Chief Audit Executive communicates individually on internal control and audit-related matters and responds to the independent Directors' inquiries at least quarterly.

The Chief Audit Executive presents the findings of all audit reports in the meetings of the Audit Committee and Board of Directors to ensure that the Independent Directors can keep abreast of the company's latest internal audit status.

- b. The CPAs present audit results and other communication matters required by relevant laws and regulations to the Independent Directors in person every half year before the Audit Committee meeting begins. If the Independent Directors have any questions, they can immediately raise and receive answers.
- B Summary of individual communications between the Independent Directors and the Chief Audit Executive, and the CPAs
